* **For every one day of absence, 0.5 mark will be deducted. This may lead to negative marks in attendance to be adjusted against other components of evaluation.**

If absence is due to ill-health or other genuine reason like mess duty, an application to that effect should be submitted with relevant documents <u>on the next day the student attends class.</u> <u>Such requests will not be entertained later.</u>

A student may be de-registered if his/her attendance falls below 75%. Once a student is de-registered, there will be no revoking of the de-registration decision. No such request for revocation will be entertained.
